Everest Breakfast Tour

Duration	Region	Type
3 Hrs	Everest Region	Activity

Overview

Everest Breakfast starts with a helicopter tour, transitioning through the valleys of Kathmandu to the heights of the Himalayas. Your first stop will be at Lukla Airport for a quick fuel refill where you will be requested to remain inside the helicopter. After the refuel, you will proceed to embark on the Mountain Flight. Witness the beauty of Mt. Everest up close and personal, towering majestically at an elevation of 8848 m. The Everest region is also home to world renowned peaks like Lhotse (8,516 m), Mt. Cho Oyu (8,210 m), Mt. Pumori (7,561 m), Mt. Amadablam (6,856 m), Mera peak (6,654 m), Cholaste (6,440 m), Lobuche (6,119 m), Island peak (6,173 m), and Kwangde (6,011 m). Experience the adrenaline of flying closely in the Himalayas above the freezing Imja lake, with a breathtaking view of the famous Khumbu Icefall and Khumbu Glacier. Next, we land in Kalapatthar (5600 m) which is located across from Mt Everest and Everest Base Camp. You can use this opportunity to take some beautiful pictures, enjoy the panorama view, and walk around with the snow under your feet. From here we fly to Kongde Hotel in Kongde (4250 m) where your breakfast awaits you. The hotel is located in an ideal place for one of the best views of the whole Everest region. After breakfast your helicopter waits for you at the hotel's helipad to bring you back to Kathmandu which concludes your Everest Breakfast tour
